### **General Education:**

---

It is the intention of the University of Maine at Augusta that every degree graduate will be prepared to function in our society as an effective and informed citizen. To this end, the faculty has designed a set of minimum expectations that students are expected to satisfy. The aspirations are defined by core skills, competencies, and abilities as well as knowledge based learning experiences that are the grounds for the General Education Requirements. To learn more, visit [www.uma.edu/academics/general-education/](http://www.uma.edu/academics/general-education/)
